

AEC Hackathon

Wrocław EDITION

Bridging Perspectives for Tomorrow's AEC

Welcome!

Dear Partners, Innovators, Industry Leaders

We are excited to extend an invitation to your organization to become an essential part of our upcoming **AEC Hackathon Wrocław Edition**, a pioneering event designed to **forge innovative solutions** in the Architecture, Engineering, and Construction (AEC) industry.

Scheduled for 4th-6th October 2024, this hackathon aims to bring together **creative minds, industry leaders, and technology enthusiasts** to address some of the most pressing challenges and opportunities in our field.

As a sponsor, your organization will **gain** unparalleled **exposure to** an engaged **community of professionals, academics, and tech innovators**. Your support will not only **highlight your commitment** to fostering innovation in AEC but also **position your brand** at the forefront of industry advancement.

We believe that your involvement could make a **significant impact on the success** of this event. We are keen to discuss how we can align our efforts to ensure mutual benefits and a transformative experience for all participants.

Thank you for considering this opportunity to help shape the future of the AEC industry. We look forward to the possibility of partnering with you.
